# Sistema de telemetria do Poente

---

---

The slide features a minimalist design with a white background. It is framed by two sets of horizontal lines: a top set consisting of a thick teal line followed by a thin light blue line, and a bottom set consisting of a thin light blue line followed by a thick teal line. The title "Sistema de telemetria do Poente" is centered in a bold, orange, sans-serif font. Below the title, there are two short, horizontal, olive-green bars, one on the left and one on the right, positioned at the same vertical level.
